Duke Energy - 11th Street Substation Project

Neighbors are invited to view the documentation submitted by Duke in their petition to the City to vacate the alleys located on their proposed substation site at 11th and Rogers Streets. The Board is charged with determining whether this vacation of alleys is "serving the public need" at their meeting on May 31. **Interested in learning more about this project? Go to our neighborhood website or to <http://www.duke-energy.com/about-us/electric-transmission-projects/bloomington11StSubstation.asp>**

Your Help Needed

Your PHNA officers could use help delivering front-porch issues of the "Little Prospector" – no more than 4 times per year. Contact Darcie Fawcett if you can help (see info below).

Blooming Neighborhood Celebration a Success!

Thank you to all our neighbors that worked the Blooming Neighborhood Event this Saturday, June 4th at the Farmer's Market: Cynthia Brethem, David Ondrik, Becky Holtzman, Richard Lewis and Leslie Abshier. We met our Bloomington Police Department patrol officers for the neighborhood and spoke to them about common neighborhood issues and how we can help. We spoke with IU Student Affairs about building a shared sense of community with residents of The Dillon. We also spoke with Mayor John Hamilton who assured us that Hospital Reutilization Committees would be back in action soon. If you would like more information about any of these things or how you can get involved, please let us know!

Building & Trades Park Tennis Court

Our neighbor, David Wierhake, would like to see a tennis court in Building & Trades Park. He is interested in gathering more supporters for the idea. If you are interested in helping David or to learn more about his idea, please contact him at sellingideas@hotmail.com.
