## Your Help Needed

Your PHNA officers could use help delivering front-porch issues of the "Little Prospector" no more than 4 times a year. Contact Darcie (info below) to help.

## Secretary Position Open

We want to give a giant "THANK YOU!" to our President Darcie Fawcett, who has agreed to run for an additional term and been elected to do so. Currently, we have a **VACANT** secretary position. We need to fill it quickly. If you are interested, please contact Darcie.

## PICNIC COMING SOON!

More info on back...

## VOTING

The first day of early voting is Wed. 10/12 at 401 W. 7th, Suite 100. The satellite location opens up on Mon. 10/24 at 501 N. Morton, Door 201. Confirm your voter registration at indianavoters.com.

## Historic District

This is a friendly reminder that the Prospect Hill neighborhood houses two local historic districts each with certain design guidelines for exterior work. Exterior work may require a Certificate of Appropriateness (COA) permit from the Historic Preservation Commission or Staff in Housing and Neighborhood Development. There is no fee to apply for a COA. A few photographs, plans, a map and a description of the work area is all you need. A COA is much like a building permit. It should be displayed in your window while work is in progress. Grants may be available to help. If you have questions about whether your work requires review please contact Bethany Emenhiser, the historic preservation program manager, at 812-349-3507 or emenhisb@bloomington.in.
